

# Usame Patricia Urquiola 2005

This is a complex and articulate object which combines the dual function of table and magazine holder. It is an object which, even in its simplicity, has become sought after and extremely refined. It is versatile and can be utilized as a side table, cabinet or as befits, transformed into a lovely bed tray. It comes in transparent or coloured PMMA, embellished with precious ginkgo floral decorations, a nod to art deco illustrations.
