

DUNCAN

Collezione di divani ed elementi componibili interamente sfoderabili, anche nella versione in pelle, che viene realizzata sempre in "COSTA VIVA". Su richiesta, la versione in pelle può essere realizzata con cuciture tradizionali, ed in questo caso il modello non è sfoderabile.

Struttura: in legno imbottita in poliuretano espanso indeformabile rivestito in tessuto protettivo accoppiato.

Cuscini seduta: in piuma d'oca (Assopiuma) lavata e sterilizzata secondo le norme R.A.L., con inserto in poliuretano indeformabile.

Cuscini schienale: in piuma d'oca (Assopiuma) lavata e sterilizzata secondo le norme R.A.L.

Piedini: in PVC nero. I modelli sono realizzati con profilo nello stesso tessuto e colore della fodera.

A richiesta, profilo in contrasto, realizzabile esclusivamente in tessuto "SHARP" e "VF1600".

La formazione di eventuali avvallamenti sulla seduta e di pieghe nel tessuto è assolutamente normale e non può essere motivo di reclamo, dato che il modello ha un aspetto volutamente morbido, che verrà accentuato con il suo utilizzo.

Collection of sofas and elements for compositions with fully removable covers, also in the version in leather, which is always realised in "COSTA VIVA". On request, the version in leather can be realised also with traditional sewing, and in this case the cover is not removable.

Frame: wood structure padded with indeformable polyurethane foam covered in doubled protective fabric.

Seat cushions: in goose feathers (Assopiuma) washed and sterilised according to R.A.L. standards, with core in indeformable polyurethane.

Back cushions: in goose feathers (Assopiuma) washed and sterilised according to R.A.L. standards.

Feet: in black PVC. These models have the profile in the same fabric and colour of the cover.

On request, profile in different colour, available exclusively with the fabric "SHARP" and "VF1600".

The building of hollows in the seat cushions and of waviness in the cover is absolutely normal and cannot be accepted as complaint, as the model has intentionally a soft aspect, that will become more evident with its use.

Le composizioni ad angolo possono essere create in due modi diversi:

- 1 Utilizzando l'elemento angolo per un perfetto allineamento dei cuscini seduta
- 2 Utilizzando gli elementi normali accostati tra loro.

The corner composition can be obtained in two different ways:

- 1 By using element corner for a perfect alignment of the seat cushions*
- 2 By putting together standard elements.*
