

ALÌ

by Philippe Tabet

Alì veste in modo classico, ma riesce sempre a sorprendere. Se come sedia mostra le gambe in legno, in versione poltroncina si presenta rivestita in un unico ampio e accogliente volume. È la nostra interpretazione del classico, che porta a valorizzare ambienti pubblici e domestici.

Alì plays its role in a classic way yet always manages to surprise. If, in the chair, it shows off its wooden legs, in the armchair version it presents itself as a single, generous and welcoming volume. It is our interpretation of a classic, which enriches public as well as domestic environments.
