

# Erica '19

ARMCHAIRS

2019

Antonio Citterio

## Description

---

The Erica '19 outdoor armchair features a technological blend of extruded and die-cast aluminium. Its lightness and design, ensuring ergonomic comfort and durability for outdoor use, make it the ideal choice for both public and residential settings. In Erica '19 outdoor armchair the refined shades of the frame and interlacing are complemented by a vast range of cushion covers, in an array of tones and designs, all coordinating with each other.
