

## **MADISON** Director's armchair

Designer: Andrea Bonini

Year: 2017

### **DESCRIZIONE**

The director's armchair from Madison collection is a design element, a clear reference to film sets. The characteristics of "director chairs" are reinterpreted creating a unique piece with essential elegance. The director's chair is composed of a wooden structure that supports a soft seat, covered in leather or fabric. Madison director's armchair is available in different finishes as per sample book.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
