

## MADISON Tv unit

Designer: Andrea Bonini

Year: 2017

### DESCRIPTION

The TV unit of the Madison collection is designed to be highly customizable, with leather applications, and the possibility of adding a central marble pillar worked with grooves. A TV stand panel with leather applications can be combined with the TV unit. The TV unit Madison is available in different finishes as a sample.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
