

VOGUE Vitrine

Designer: Andrea Bonini

Year: 2015

DESCRIPTION

The vitrine of the Vogue collection is a glamorous and refined object. The wooden structure is covered in leather with the characteristic diamond quilting of the collection. The Vogue glass cabinet is available with two or four doors, to adapt to any type of environment. The gold metals with the Turri logo give the storage unit an even more refined appearance. The Vogue vitrine is available in different finishes as per sample.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
