

VOGUE Armchair

Designer: Andrea Bonini

Year: 2015

DESCRIPTION

The armchair of Vogue collection becomes the protagonist with style of the living area. Characterized by a particular metal base available with smooth design, this element strongly characterizes the design of the entire Vogue collection. The armchair can be upholstered in leather or fabric with hexagonal embroidery for the external structure. Padlocks and decorative zips in gold metal are applied to embellish the model. Vogue armchair is available in different finishes as per sample book.

VOGUE Armchair

Designer: Andrea Bonini
