Located on the South Coast of the Lake of Zürich, Mönchhof Restaurant offers wide views in combination with excellent local Swiss cuisine. Landscape architect Jack Richard was asked to arrange a planting scheme for the entry and pathway that welcomes guests. He therefore selected a series of **AUS100** in grey with white accents.

Bonhommes wants to convey the feeling of carefree living in the quiet, peaceful and natural surroundings of Meigem. It also dares to refer to the Latem School, which is just around the corner. The **AUS100** in grey and with red accents planted with *Rosmarinus Officinalis*.
