Since 2018, with the renovation of Rue Mstislav Rostropovitch near the Batignoles quarter in Paris's 17th arrondissement, residential buildings and company headquarters have been built. These make up a new eco-district to which Place des Fleurs has contributed multiple times, in the development of gardens of co-owned properties but above all for balconies and terraces, with 180-degree views running along the Montmartre hill to the Eiffel Tower.
