## NEIL LEATHER STOOL

### STRUCTURE

The load-bearing structure of the seat and backrest is made in steel wire and available in a glossy galvanic finish in black chrome.

### UPHOLSTERY

The thick full grain saddle-hide is simply stretched taut between the parts of the structure and guarantees unexpected comfort even though it has a simple, definite form.

The product is made completely by hand, entirely in Italy, a guarantee of high-quality craftsmanship and great attention to detail: seams in heavy duty thread, dyed edges, and pressed areas on the leather surface form raised decorations that emphasise the tension and pattern. The saddle-hide upholstery is available in the following colour variants: Black (02), Dark Grey (03), Natural (26) and Turtledove (29). The saddle-hide upholstery is not removable.

Only indoor use.
