

Flor is a hand tufted rug.

The floral pattern which decorates this rug is produced with bouclé stitches executed with round wool braids.

The stitches are tufted at the same level of the wool or silk background.

The background and the round wool braids are dyed in the same colour; considering that silk dyeing results in lighter tones, this creates a tone-on-tone effect.

Only one colour can be chosen.

TAFLO1 lana / Wool  
TAFLO1S seta / Silk

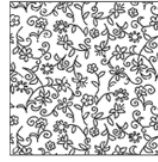

cm 200 x 200  
79" x 79"

TAFLO2 lana / Wool
