

# Enigmi

design Elisa Ossino 2018

**IT/** La collezione Enigmi è realizzata in esclusiva per Porro dal marchio svedese Kasthall, che ha messo a disposizione il proprio expertise nella produzione di tappeti che coniugano artigianalità, design e materie prime naturali.

Realizzati in pura lana neozelandese i tappeti Enigmi sono disponibili in forma rettangolare e tonda e sono declinati in una palette di colori che spazia dai toni del beige al grigio.

Creati a telaio e taftati a mano, questi pregiato tappeti riecheggiano il rigore progettuale e visivo che contraddistingue la cifra stilistica Porro.

I grafismi ricamati a contrasto, in colore bianco o nero, evocano la grande tradizione dei maestri artigiani berberi, riletta in chiave contemporanea attraverso pattern geometrici naturali.

**EN/**The Enigmi collection was exclusively designed for Porro by the Swedish brand Kasthall, whose expertise in rug manufacturing combines craftsmanship, design and natural raw materials.

The Enigmi rugs, made of 100% New Zealand wool, can be rectangular or round and come in a variety of colours ranging from beige to grey.

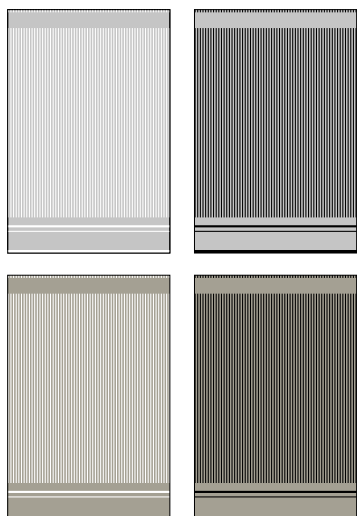

Woven on looms and hand-tufted, these fine rugs reflect the design and aesthetic rigour that is typical of Porro's style.

The contrasting graphical elements, embroidered in black or white, evoke the great tradition of Berber master craftsmen, while reinterpreting it in a modern fashion through natural geometrical patterns.
