

LONDON

CR&S MISURAEEMME

London Door with sophisticated details creates a dynamic and refined environment, current while at the same time traditional. The squares in relief and outlined by topstitching, along with a handle inserted into the rectangle which divides the squares, create a harmonious design.

CR&S MISURAEMME

Care for details is a must for **MisuraEmme R&D Center**. This does not only show through the choice of first-class materials – from Carrara marble to solid oak wood, fabrics made in Italy to European leathers – but also customised processing and craftsmanship give added value to furnishing accessories. All this and more, make the products of MisuraEmme unique and exclusive, a result of a mixture between refinement and innovative technology.
