DESCRIPTION

Lightness and wisdom of construction. Parioli is a console that finds its uniqueness in the particular legs in solid wood and in its essential simplicity given by its wonderfully slender structure. Parioli collection includes not only the console, but also the bench, whose rustic charm meet the upholstery softness. In canaletto walnut or black stained ash, the bench Parioli becomes even sweeter with the soft cushion that crowns and outlines its seat, whose fantasy is left to yours and to the mood of your indoor.
