## ALICUDI

MC Lab

## DESCRIPTION

---

Sinuous, generous and welcoming. Alicudi is an ambitious interior design object that aims to become the object of desire, a protagonist of luxury interiors that leave breathless. A mix of geometry and softness, Alicudi is a game of contrast and harmony. Despite its thickness, its wooden structure does not give up lightness and enhances its mood, while its leather cover for the seat and back makes it timeless and particularly refined.

## TECHNICAL INFORMATION

---

### Typology

Chair
