LIBERTY

MC Lab

DESCRIPTION

Cute and refined, Liberty is the essence of comfort designed to become accessory and decoration - perfect to fit with harmony in residential and hospitality contexts - becoming the absolute protagonist. The Liberty collection brings together a series of seats united by the same DNA, at first sight distinguishable by a mix of classic and contemporary features. The slim line of the legs, made of solid wood, suits the curved backrest, finely upholstered and shaped. The Liberty chair is available in three versions: with high back and high back with armrests. To complete the family, also the stool has been added.

TECHNICAL INFORMATION

Typology

Chair | Stool

Legs

Solid ash open-pore

Seat/Back

Curved plywood

Covering

Leather or fabric

Dimensions

high: cm 53x56x91h | in 20"6/7x22"x35"5/6h | seat cm 46h / in 18"1/8h

arm: cm 56x56x91h | in 22"x22"x35"5/6 h | seat cm 46h / in 18"1/8h

stool: cm 53x56x94,5h | in 20"6/7x22"x37"1/5h | seat cm 69h / 27"11/64h
