GONZAGA

MC Lab

DESCRIPTION

Freedom of composition and passion for details: Gonzaga is the perfect union between elemental lines and love for the most elegant treats that make the difference. In a modern sofa with a minimal design like Gonzaga, what strikes you is the chromatic play, the chromed base, the armrest with a tailor-made finish - whose fantasy ideally recalls the cuff of the men's jacket - the leather buttons and the belts which make the cushions an essential accessory.

TECHNICAL INFORMATION

Typology

Modular sofa

Structure and padding

Wood covered in differential density polyurethane with dacron layers and fine velvet in nylon fibre.

Seat cushion in 100% goose down with insert in differential-density polyurethane.
