

DUCALE GRAN CAPITONNE'

MC Lab

DESCRIPTION

Regal, impressive and precious: Ducale High makes the headboard its business card. Higher and more important in the high version, it becomes more contained and regular in the low version. The amazing capitonné work of the fabric or leather covering of its headboard is the absolute protagonist of this version. Play with its unique shape: his fabric cover is completely removable, so you can change it according to your mood. Regale rhymes with comfort in Ducale: both versions are available with or without storage box, wonderful to keep order!
