## CASSIODORO | CASSIODORO LARGE

Maurizio Di Mauro architetto

### DESCRIPTION

---

Minimal also to the touch thanks to its smooth and clean lines, Cassiodoro is a super simple bedside table with two drawers, customizable with fanciful details. From the handles with chrome or brushed brass inserts, the leather on the bottom of the drawers and the top which can both remain in wood as the rest of the structure or be embellished with the use of marble, to the fabric cover of the inside of the drawers. Its with the optional base you can define the mood of your Cassiodoro, changing its height.
