

## Only You

Sergio Bicego

I dettagli raffinati lo rendono un divano unico; tra questi da segnalare l'estremità superiore dei braccioli e dello schienale, che si piega verso l'esterno creando piccole ali rivolte all'ambiente circostante. Inoltre, gli elementi terminali del divano possono avere un'angolazione di 45°, permettendo così a chi è seduto di essere orientato verso le altre persone e favorendo la convivialità. La ricercatezza delle singole parti fa di questo divano un elemento di arredo che si inserisce a pieno titolo nella collezione di imbottiti Bonaldo.
