**NARA 2
DRAWERS
NIGHT TABLE**
COD.NAR 10M

Art Déco style and oriental scents of the old Japanese city Nara, to which the collection dedicates its name, are naturally fused in the design of this refined night table. This careful blend of stylistic expressions, so different in the timing line and in the geographical provenience gives birth to a collection with a unique and incomparable style. The design with simple and sophisticated lines at the same time, the use of fine materials, the delicate play of contrast in the handles will give timeless sophistication and elegance to any interior.
