

PASTICCA

design Piero Lissoni

Modular elements in different shapes and sizes with frame in poplar plywood and padding in differentiated density polyurethane foam, covered with a quilted mat in prewashed and sterilized goose down,

stitched into separated compartments. Black adjustable PVC feet. Fabric or leather upholstery, both fully removable by Velcro fastenings. The various elements are joined together by means of hooks.

Notes

On request can be ordered a spacer, to lift the elements of further 4cm, to be screwed to the standard feet.

Hooks for assembly elements with standard feet in PVC.

Hooks for assembly elements with feet with spacers.

For composition with different elements, please attach a general sketch to the order.
