

## FLOYD TABLE

design Piero Lissoni

Small tables of different sizes (53x40cm, 60x40cm and 56x56cm), h4cm consisting of a 20mm thick contoured MDF top veneered, on the top part only, in charcoal-dyed oak or Stone Oak®, with acrylic painting finish; edge and bottom always lacquered matt black. For the 53x40cm dimension only, the top is available also in countered marble, 15mm thick coupled to a 2mm steel sheet plate, available in

white Carrara, black Marquinia, red Levanto or Sahara Noir with satin finish and opaque transparent protective varnish or glossy or opaque polyester finish. Base consisting of two laser-cut steel sheets, 5mm thick, with central support in tubular steel Ø20mm, finish with epoxy powder coating gunmetal grey or burnished colour. Floor support secured by black PVC feet.

### Notes

Stone Oak®: this wood owes its particular coloring to an entirely natural process. Because of this, some slabs may look more brown than others. Our commitment is to provide you a high quality product; any differences in color should not be considered as defects.

On request, an additional protective (acrylic solvent) painting is available for the Stone Oak® finishing only. It should be noted that this additional coating slightly changes the natural color and texture of

the surface. Although this supplementary painting increases the surface resistance, it is still a natural material; therefore small superficial stains, due to oil or other substances, have to be promptly removed, before being absorbed in depth by the wood. Thus, we recommend regular care and maintenance.

Marble top available only for size 53x40x42cm. Please specify the required finish in the order.
