## D.151.4 ARMCHAIR —
### GIO PONTI 1951 / 2017

**1**—
2

Always passionate about nautical furnishings, Gio Ponti gained direct experience in four ocean liners and two cruise ships upgraded or built from scratch after the war, between 1949 and 1951: the Conte Grande, Africa, Oceania, Conte Biancamano, Andrea Doria and Giulio Cesare. Ponti designed this easy chair with slight variants for these ships.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.
The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
