

MIDJ

Charlotte floor

Direct light floor lamp. The lamp is made with a metal base and structure to which two adjustable lampshades are anchored. The lamp is available in the single black variant. The collection is inspired by the Bauhaus current, proposes geometries simplified to the maximum, almost abstract, easily legible with respect to space.

On the electric power cable there is the on / off foot switch. The cable has a length of 2 m and is covered in black silk.

The lamp is part of the **Charlotte collection**
