

Ghost suspension

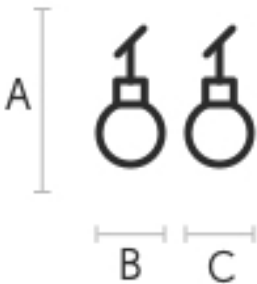

design Studio F+B Design, 2020

Ghost suspension lamp with diffused light. The diffuser is made of glass with a particular mix between transparent and satin finish that allows a better diffusion of light. The support for the diffuser is in metal available in the single variant of black color with gold insert.

The electric suspension cable is covered in black silk with a length of 2.5 m. Black metal ceiling rose. Available multi-canopy and decentralization kit to create compositions of several lamps, up to 6 pieces.
