# MARIO RUIZ. THE DESIGNER.

Design that is pristine and prosaic. This motif runs through the work of Spanish designer Mario Ruiz (Alicante, 1965), who has built a cosmopolitan career rooted in the vocation to create timeless designs. Every one of his projects, which comprise furniture, lighting and technology design and art direction, is exactly as it seems: objects whose clean, soft, coherent lines are an invitation for use. Intense work has gone into expressing their purpose and careful attention into their details. Among the over 50 awards he has garnered, the Spanish National Design Prize, Best of Neocon, Metropolis and Wallpaper Magazine awards stand out.

Le design clair et quotidien. C'est l'argument qui guide l'œuvre du designer Mario Ruiz (Alicante, 1965), fondateur d'un parcours cosmopolite semé dans la vocation de réaliser des designs qui dureront dans le temps. Chacun de ses projets, qui couvre la conception de meubles, l'éclairage, la technologie et la direction artistique, c'est qui se voit: des objets qui invitent à être utilisés à partir de leurs formes régulières et imaginables. Il y a eu un travail intense de résolution de l'identité de chaque utilisation et une attention particulière portée aux détails. Parmi les 50 récompenses qu'il a reçues figurent le National Design Award 2016, le meilleur de Neocon, Metropolis et Wallpaper Magazine.

El diseño claro y cotidiano. Este es el argumento que guía el trabajo del diseñador Mario Ruiz (Alicante, 1965), constructor de una trayectoria cosmopolita sembrada con la vocación de conseguir diseños que perduren en el tiempo. Cada uno de sus proyectos, que abarcan el diseño de mobiliario, iluminación, tecnología y la dirección de arte es lo que se ve: objetos que invitan a ser utilizados desde sus formas limpias y comprensibles. En ellos hay un trabajo intenso de resolver la identidad de cada uso y una cuidadosa atención por el detalle. Entre los más de 50 premios que ha recibido figuran el Premio Nacional de Diseño 2016, Best of Neocon, Metropolis y Wallpaper Magazine.

SINGULAR. CLEVER. SERENE.

Serene's design welcomes and protects like an embrace. With its enveloping headboard, defined by a soft and cozy upholstered piece of supple organic lines, finished with a distinctive visible seam, like in the sofa and seating pieces from the same collection. It is also offered as a separate piece.

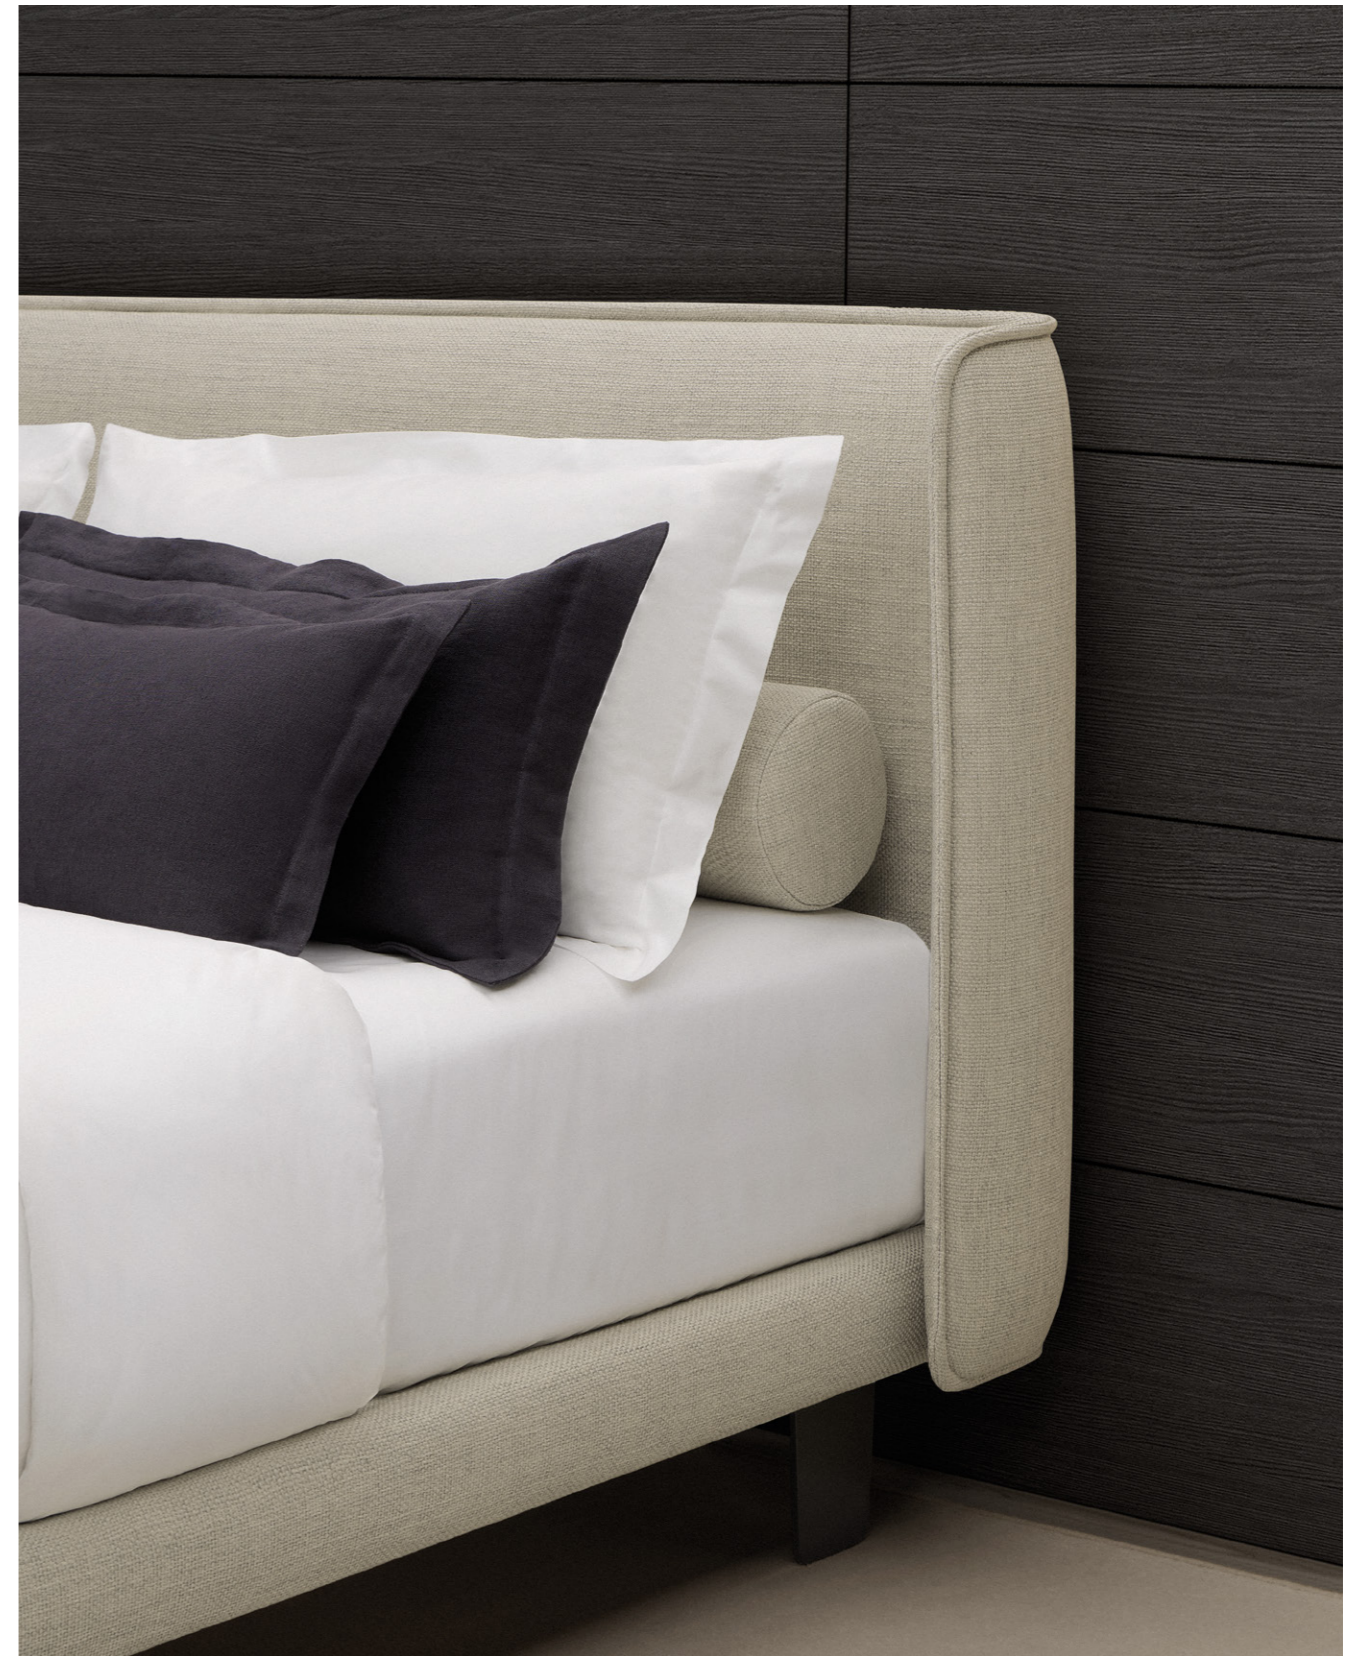

Two types of bed can be chosen: elevated base or upholstered base down to the floor.

La conception de Serene ravive le souvenir d'une étreinte chaleureuse et protectrice. Grâce à sa tête de lit enveloppante, prenant la forme d'un élément tapissé moelleux et accueillant, aux douces lignes organiques et se distinguant par ses coutures visibles, un détail subtil que l'on retrouve également sur le canapé et les sièges complétant cette collection. Elle est également disponible comme élément indépendant.

Le lit se décline en deux structures: avec cadre en hauteur ou bien cadre tapissé ras de sol.

El diseño de Serene acoge y protege como un abrazo. Con su cabecero envolvente, definido mediante una pieza tapizada mullida y acogedora, de suaves líneas orgánicas que se remata con una característica costura vista, como en el sofá y en los asientos de la misma colección. Se ofrece también como pieza independiente.

Se puede elegir entre dos tipos de construcción de la cama: con base suspendida o bien base tapizada hasta el suelo.
