MARIO RUIZ. THE DESIGNER.

Design that is pristine and prosaic. This motif runs through the work of Spanish designer Mario Ruiz (Alicante, 1965), who has built a cosmopolitan career rooted in the vocation to create timeless designs. Every one of his projects, which comprise furniture, lighting and technology design and art direction, is exactly as it seems: objects whose clean, soft, coherent lines are an invitation for use. Intense work has gone into expressing their purpose and careful attention into their details. Among the over 50 awards he has garnered, the Spanish National Design Prize, Best of Neocon, Metropolis and Wallpaper Magazine awards stand out.

Le design clair et quotidien. C'est l'argument qui guide l'œuvre du designer Mario Ruiz (Alicante, 1965), fondateur d'un parcours cosmopolite semé dans la vocation de réaliser des designs qui dureront dans le temps. Chacun de ses projets, qui couvre la conception de meubles, l'éclairage, la technologie et la direction artistique, c'est qui se voit: des objets qui invitent à être utilisés à partir de leurs formes régulières et imaginables. Il y a eu un travail intense de résolution de l'identité de chaque utilisation et une attention particulière portée aux détails. Parmi les 50 récompenses qu'il a reçues figurent le National Design Award 2016, le meilleur de Neocon, Metropolis et Wallpaper Magazine.

El diseño claro y cotidiano. Este es el argumento que guía el trabajo del diseñador Mario Ruiz (Alicante, 1965), constructor de una trayectoria cosmopolita sembrada con la vocación de conseguir diseños que perduren en el tiempo. Cada uno de sus proyectos, que abarcan el diseño de mobiliario, iluminación, tecnología y la dirección de arte es lo que se ve: objetos que invitan a ser utilizados desde sus formas limpias y comprensibles. En ellos hay un trabajo intenso de resolver la identidad de cada uso y una cuidadosa atención por el detalle. Entre los más de 50 premios que ha recibido figuran el Premio Nacional de Diseño 2016, Best of Neocon, Metropolis y Wallpaper Magazine.

SINGULAR. PERSONAL. SENSO.

Senso is conceived as a bedroom of slender and very comfortable shapes. The design of the bed is a shape coherent with the aesthetic language of the lounge chairs and sofa of the same collection, with its light upholstered headboard, a set of clean and essential forms. The bed is available in three types of construction: with elevated base, with upholstered base that reaches the floor or with storage. The headboard is also offered as a separate piece.

Senso est conçue comme une chambre aux lignes élancées et d'un grand confort. La forme du lit est en parfaite harmonie avec le langage esthétique des fauteuils et du canapé de cette même collection, grâce à une tête de lit tapissée très aérienne et des lignes épurées et essentielles. Le lit se décline en trois structures : avec cadre en hauteur, cadre tapissé ras de sol ou cadre avec coffre. La tête de lit est également disponible comme élément indépendant.

Senso se concibe como un dormitorio de formas esbeltas y muy cómodas. El diseño de la cama es una forma coherente con el lenguaje estético de las butacas y el sofá de la misma colección, con su cabecero tapizado muy liviano, un conjunto de formas limpias y esenciales.

La cama se ofrece con tres tipos de construcción: con base suspendida, con la base tapizada hasta el suelo o con base contenedor. El cabecero también se ofrece como pieza independiente.
