

ECLIPSE Pouf

Designer: Andrea Bonini

Year: 2018

DESCRIPTION

Pouf from Eclipse collection has a unique design: a U-shape fully upholstered; the only decorative element that embellishes this modern accessory is a detail in gold metal applied on a side, an element that is visible in several items from the same collection. This pouf can be covered in leather or fabric with different coverings included in our collection.

ECLIPSE Pouf
