

MILANO Chest of drawers

Designer: SBGA | Blengini Ghirardelli

Year: 2019

DESCRIPTION

The chest of drawers of the Milano collection has a compact and solid structure covered almost entirely in leather, the shapes of the structure are highlighted by side elements in satin nickel metal. The chest of drawers has six large drawers covered externally in leather and internally in microfiber, the top is in wood, glossy lacquered finish. The Milano chest of drawers is available in two versions: lower and higher. It is available in different finishes as per the sample book.
