

ZERO Applique

Designer: Andrea Bonini
Year: 2019

DESCRIPTION

The Zero applique is an original object able to generate amazing reflections of light. The triangular metal structure along with the clear glass make this object light yet elegant. The applique can be mixed together to create unique compositions which will embellish any ambiance.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
