

ZENIT Sideboard

Designer: Andrea Bonini

Year: 2021

DESCRIPTION

In the Zenit sideboard the structure and the curved leather clad doors embrace a central one in wood, and the tops are contrasting with wood and marble, one on top of the other creating a double top. Overlapping layers is a characteristic of the entire collection, strongly evident in the shelves or the doors of the storage units. The sideboard is available in different finishes as per sample book.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
