

## MADISON Bar unit

Designer: Andrea Bonini

Year: 2017

### DESCRIPTION

The bar unit of the Madison collection has two glass doors and an open compartment with a mirrored bottom, the furniture can be customized with leather inserts and the possibility of adding a central pillar in grooved marble. The interior of the storage unit is illuminated with LEDs. The details and handles in light gold metal give elegance to the product.

The Madison bar unit is available in different finishes as per sample book.
