

MELTING LIGHT Rectangular table

Designer: Frank Jiang
Year: 2017

DESCRIPTION

The rectangular table from Melting Light collections has a light structure given by the legs and the thin top with leather inserts. The tubular metal detail that runs along the entire profile of the top resumes the characterizing element of the whole collection. The top is available in wood or with marble insert. Melting Light table is available in different finishes included in our collection.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
