

VOGUE Round table

Designer: Andrea Bonini

Year: 2015

DESCRIPTION

The round table from Vogue collection is made of a single central leg covered in leather, with application of a gold metal grid. The top and the base are made in glossy lacquered wood; it is also possible adding a lazy Susan on top to complete the table. The top can be also in marble, to be chosen from our marble collection. Vogue table is available in different finishes included in our collection.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
