Designer: Paola Navone - Otto Studio

Year: 2023

DESCRIPTION

The armchair of the Azul collection appears as a macro weave in blue velvet, made strictly by hand, which evokes the workings of fashion. Perfection lies precisely in its imperfection, in its ability to welcome and shape the atmosphere in which it is inserted. The Azul armchair is made of marco weaving, the manual process involves many hours of production, each velvet tubular is cut, sewn, padded and woven by hand. A great craftsmanship capable of giving life to a unique, non-replicable piece.
