Introducing colour and life. These were the leitmotifs intended by interior designer Séverine d'Alès for the design of this flat in the 18<sup>th</sup> arrondissement of Paris. In this place, inhabited by a Brazilian chef and her two children, the double living room hosts a grandiose 'workshop' kitchen and a spacious lounge. These two spaces combined become both living and reception areas, in an atmosphere where Brazilian and French cultures are mixed. A colourful place while keeping the Parisian elegance of the beautiful Haussmannian setting. At the entrance to the flat, a pair of **AS130 WW** with **R12** engobe pots house *Sansevieria trifasciata*. In the **Red O** pot in the kitchen-workshop *Strelitzia Nicolai* are combined with the illustrations on the wallpaper that decorates the room like a giant painting. The trio of **FGS** pots in the living room fits in perfectly with the colours and lines of the elements that furnish this beautiful space.
