

LASVIT Technical Sheet

NEVERENDING GLORY MEDIUM COLLECTION

DESIGNER: Jan Plecháč & Henry Wielgus

YEAR OF DESIGN: 2018

MATERIAL: Hand Blown Bohemian Crystal Glass

The Neverending Glory collection reflects nostalgic emotions. Individual silhouettes transform majestic chandeliers from five of the world's most eminent concert halls and theaters into contemporary design lighting. The collection interprets these lighting icons in a new context to symbolize the prime moments of appreciation and glory. Design lovers can acquire a modern chandelier with a particular memory and take a part of its hidden monumentality and an atmosphere of La Scala in Milan, Palais Garnier in Paris, the Metropolitan Opera in New York, the Bolshoi Theater in Moscow, or the Czech Republic's Estates Theater in Prague, to their living rooms.
