**DESIGNER:** Arik Levy

**YEAR OF DESIGN:** 2020

**Glass:** Hand Blown Bohemian Crystal Glass

Following the success of his Crystal Rock pendant lights and vases, Arik Levy has now extended this versatile design line with the Crystal Rock Table Lamp. The lamp interacts between light and darkness, suspended in air like a frozen shooting star. It's as if the world stood still the moment you gaze upon it, its multiple reflections and deflections fascinating during the day and even more dynamic at night, when lighted.
