"AND WHY NOT!" COLLECTION

DESIGNER: René Roubíček

YEAR OF DESIGN: 2013

MATERIAL: Hand Blown Bohemian Crystal Glass

René Roubíček's chandelier designed for Lasvit named by its author "And why not!" refers to his lifelong experimentation and searching compositions and forms incarnated in glass. The chandelier's emotionally intense sculptural form resembles a flash and is an evolution of Roubíček's core designs based on dynamic abstraction. Light gliding on large smoothly polished surfaces while absorbed by the mass of the glass creates a unique atmosphere.
