## NEIL

Designed by Jean Marie Massaud

Neil is a lounge chair celebrating lightness and competence.

A radical language, a cosy comfort and an elegant technique that match surprisingly well with refined, natural finishes. Now introduced in a four-star version, this new collection leaves space for further future options and different situations and uses.

The Neil armchair emerges today as a new icon of essential style.

Neil is presented in two bases: FOUR POINTS STAR PREMIUM and FOUR POINTS STAR BASIC.

Two unique bases that redefine the classic office chair concept.

### PADDED VERSION

A load-bearing body in rigid polyurethane (compact, high performance techno-polymer obtained through moulding) covered with polyurethane foam rubber. Polyester wadding completely covers the body. Available in high and low back version, with or without armrests.

### VERSION WITH COUNTER-SHELL

A load-bearing shell in rigid polyurethane (compact, high performance techno-polymer obtained through moulding) and liquid painted in the colours matt white and lead black. The colour of the shell matches with the one of the frame.
