

Series of side tables with wooden top and steel base.

**Top:** fibreboard finished Mano Lucida or veneered and finished Mano Opaca.

**Base:** steel, matt or gloss varnished according to the top finish and in matching colours. Plastic spacers.

**Notes:**

The border and the lower surface of the top are lacquered in matt colours matching the upper surface.

The side table code B73A is available also with a top consisting of Esmal enameled steel or copper.

**Awards:** the series Ivy has been selected for the ADI Design Index 2014 and won the GOOD DESIGN AWARD 2013 in the interior furniture design category.
