

Series of poufs with removable cover made with a linen or hemp cord sewn in a spiral-like pattern.

**The natural materials featured in the Eres collection can be used outdoors, but not be directly exposed to the elements, and require some extra attention and care than traditional outdoor furniture. These products need to be used under a stable cover and to be protected overnight. It is also recommended that they are sheltered indoors for seasonal protection. Some of the materials will mature and will change appearance and colour over time. And this will naturally happen.**

**Padding:** polypropylene microspheres, fixed cover in three dimensional 100% polyester fabric.

**Upholstery:** removable, in linen or hemp cord.

**Notes:**

The product can be used also in interior environments.

We advise to use a Winter Set protection cover.
