

Chaise longue with backrest adjustable in two positions in addition to the rest position.

Structure: AISI 316 stainless steel, plastic spacers.

Structure upholstery: fixed, hand woven with Rope cord.

NEW 2023

Structure made of gloss varnished stainless steel AISI 316 (reference colours: Mano Lucida wood sample collection), plastic spacers.

Fixed structural weave available in three different patterns (A, B or C) in Twitape yarn.

A seat pad and a loose cushion are necessary for complete seating comfort.

Seat pad: removable, in open cell polyurethane covered with three-dimensional polyester fabric or Flex.

Loose cushion: removable, in polyester fibre, fixed cover in waterproofed polyester.

Seat pad and loose cushion upholstery: removable and available in the fabrics Luz, Rope T, Brio, Thea or Wara.

Notes:

In its new version, Wave foresees a fixed backrest.

New weaves are made by hand and are inspired by the complex knots of Japanese tradition.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
