

Square table with central base with four spokes available in two heights.

Structure: AISI 304 stainless steel matt varnished in grigio lava colour. Plastic spacers.

Top: Luce.

The Luce tops are made and finished by hand with exclusive colours by Nicolò Morales.

Notes:

The tops in Luce are made by hand with natural materials, which react unpredictably to crafts production processes. Their surface can feature thickness differences, little marks, small holes less or more deep, striping, little variations of colour tone and solidity. These characteristics are linked to the very nature of the materials and are considered qualities able to make each top unique and different from any other.

This product can be used also in interior environments.

We advise to use the Winter Set protection cover.
