

Fashion is a felt rug created by joining felt elements with Punto Cordonetto.

The rug's surface is composed of felt strips with different width and colours.

The border features the Punto Pettine.

This rug can be produced both with a single layer and a double layer of felt.

In the double-layer rug the underside is always without ornamentation and in one colour.

Only in rugs with a width higher than cm 200 the underside shows inner stitching.
