

Starways is a modular felt rug created by joining felt elements with Punto Zigzag.

The surface of the rug is created by joining 50x50 cm square elements with ZigZag stitch. Each element is decorated with an abstract design created by machine stitching according to a predetermined pattern. The pattern varies slightly each time depending on the movements imposed on the machine by the sewer.

The border features the Punto Cavallo stitch.

This rug is produced with a single layer of felt.
