tavolo dining \ dining table

Il progetto di Graphic è stato sviluppato da Victor Vasilev e Mario Ferrarini come estensione della collezione di sedute Keel mantenendo lo stesso codice compositivo. Una struttura di elementi sottili e geometrici si unisce armoniosamente con dei piani funzionali, dando vita a tavoli, panca, scrittoio e tavolini accessori con piani anche in massello di frassino. Il risultato finale è una collezione caratterizzata da un'assoluta semplicità strutturale che garantisce la perfetta combinazione con le famiglie di sedute firmate Potocco.

Graphic has been designed by Victor Vasilev and Mario Ferrarini as an extension of the Keel chair collection, maintaining the same composition characteristics. The structure, composed of thin and geometrical elements, is harmoniously combined with functional surfaces, creating tables, the bench, the writing desk and complementary coffee tables, with top available also in solid ash wood. The result is a collection characterized by an absolute structural simplicity that ensures its perfect combination with the Potocco seat families.
