

Struttura: in multistrato marino. Preparazione della struttura in poliuretano espanso a quote differenziate ad alta densità e trapuntino di viscofibra per conferire grande sofficità. La struttura è rivestita successivamente con una fodera di poliestere con trattamento idrorepellente, per migliorare la protezione delle imbottiture da acqua e umidità. La confezione della fodera dei cuscini sedile e schienale è contraddistinta da un profilo realizzato con il medesimo materiale previsto per il rivestimento.

Pannelli di sostegno disponibili nelle seguenti versioni:

- in poliuretano strutturale (Baydur® 60) laccato lucido outdoor nei colori Moka, Cappuccino, Army Green, Celadon e Terracotta;
- in tubolare di acciaio inox, Ø 12 mm, rivestito da una fibra intrecciata, Ø 5 mm, con effetto midollino opaco, disponibile nei seguenti colori Fango, Liquirizia, Cappuccino e Celadon. I pannelli di sostegno in acciaio inox sono verniciati a polvere color Bronzo con finitura lucida anti-touch.

Cuscinatura: imbottitura cuscini schienali in viscofibra con inserto centrale in poliuretano espanso a quote differenziate ad alta resilienza e sagomati per aderire perfettamente ai pannelli di sostegno.

Sfoderabilità: cuscini sedile e schienali completamente sfoderabili, prima rimuovere il pannello di sostegno e poi la cerniera che tiene uniti i cuscini schienale e bracciolo alla seduta.

Piedi: in pressofusione di alluminio verniciato color Peltro con finitura lucida anti-touch. Gommino protettivo in PE nel colore peltro. Le Isole girevoli presentano un basamento perimetrale composto da una lamiera di acciaio inox verniciato color Peltro con finitura lucida anti-touch. Appoggio a terra mezzo ruote unidirezionali in poliammide con fascia in poliuretano termoplastico e relativo supporto in acciaio inox. Le ruote permettono all'elemento di ruotare di 360°.

Structure: in marine-grade plywood. The plywood structure is coated in high-resilience, variable-density polyurethane foam and quilted viscose fibre to ensure greater softness. The structure is then encased in water-repellent polyester upholstery to better protect the padding from water and humidity. Fine tailoring of the seat and backrest upholstery features piping in the same material as the upholstery.

Support panels available in the following versions:

- in structural polyurethane (Baydur® 60) with glossy outdoor lacquer finish in Moka, Cappuccino, Army Green, Celadon or Terracotta colour;
- in Ø 12 mm tubular stainless steel, covered in Ø 5 mm woven wicker-effect matt fibre, available in Mud, Licorice, Cappuccino or Celadon colour.

The stainless-steel support panels have Bronze colour epoxy powder-coat and glossy anti-fingerprint finish.

Cushions: backrest cushion padding in viscose fibre with core insert in high-resilience, variable-density polyurethane foam contoured to ensure optimal adhesion to the support panels.

Covers: seat and backrest cushions are completely removable; first remove the support panel and then unzip the zipper that joins the backrest and armrest cushions to the seat.

Feet: in cast aluminium varnished Pewter colour with glossy anti-fingerprint finish. Protective polyethylene rubber pads, pewter colour. The swivel Islands have a perimeter base in sheet stainless steel, varnished Pewter colour with glossy anti-fingerprint finish. Rests on rigid castors in polyamide with thermoplastic polyurethane strip and stainless-steel support. The castors allow the element to swivel 360°.

Struktur: Aus Bootsbausperrholz. Polsterung des Gestells aus PU-Schaum mit differenzierter, hoher Dichte und gesteppte Polsterung aus ViscoFibra für einen angenehm weichen Sitzkomfort. Zum Schutz der Polsterung vor Wasser und Feuchtigkeit verfügt das Gestell über einen Polyesterbezug mit wasserabweisender Behandlung. Die Konfektionierung des Bezugs der Sitzkissen und Rückenkissen ist durch ein Profil charakterisiert, das aus dem gleichen Material wie der Bezug ausgeführt wird.

Die Stützpaneele sind in folgenden Ausführungen erhältlich:

- aus PU-Formteil (Baydur® 60) mit glänzender Outdoor-Lackierung in den Farben Mokka, Cappuccino, Army Green, Celadon und Terrakotta;
- aus Hohlprofil aus Stahl Ø 12 mm mit Bespannung mit einer geflochtenen Faser mit Ø 5 mm in Rattan-Optik, erhältlich in der Farbe Schlamm Braun, Lakritze, Cappuccino und Celadon.

Die Stützpaneele aus Edelstahl verfügen über eine Pulverbeschichtung in der Farbe Bronze mit glänzender Anti-Fingerprint-Oberfläche.

Kissen: Polsterung der Rückenkissen aus ViscoFibra mit zentralem Kern aus hochwiderstandsfähigem PU-Schaum mit unterschiedlicher Dichteverteilung, formgeschnitten, um perfekt an den Stützpaneele anzu liegen.

Abziehbarkeit: Sitzkissen und Rückenkissen sind komplett abziehbar. Zum Abziehen des Bezugs zuerst die Stützpaneele entfernen und dann den Reißverschluss öffnen, der die Kissen der Rückenlehne und der Armlehne mit der Sitzfläche verbindet.

Füße: Aus Aluminiumdruckgussteil mit Lackierung in der Farbe Zinn mit glänzender Anti-Fingerprint-Oberfläche. Schutzgleiter aus PE in der Farbe Zinn. Die drehbaren Inseln verfügen über ein umlaufendes Untergestell aus Edelstahl mit Lackierung in der Farbe Zinn mit glänzender Anti-Fingerprint-Oberfläche. Auflage auf dem Boden mit Rollen aus Polyamid mit Lauffläche aus thermoplastischem PU und Lager aus Edelstahl. Durch die Rollen ist das Element um 360° drehbar.

Structure : en contreplaqué marine. Préparation de la structure en mousse polyuréthane à densité différenciée haute densité et tissu matelassé en viscofibre qui lui apporte beaucoup de moelleux. La structure est ensuite recouverte d'une housse en polyester avec traitement déperlant, afin d'améliorer la protection du rembourrage contre l'eau et l'humidité. La confection de la housse des coussins d'assise et de dossier se distingue par un cordon réalisé dans le même matériau que le revêtement.

Panneaux de support disponibles dans les versions suivantes :

- en polyuréthane compact (Baydur® 60) laqué pour l'extérieur couleur Moka, Cappuccino, Army Green, Celadon ou Terracotta brillant ;
- en tube d'acier inoxydable, Ø 12 mm, recouvert d'une fibre tressée, Ø 5 mm, effet moelle de rotin mat, disponible couleur Boue, Régisse, Cappuccino ou Celadon.

Les panneaux de support en acier inoxydable sont thermolaqués couleur Bronze finition brillante anti-trace de doigt.

Coussins : rembourrage des coussins de dossier en viscofibre avec insert central en mousse polyuréthane à densité différenciée haute résilience et façonnés pour assurer une meilleure adhérence aux panneaux de support.

Déhoussage : coussins d'assise et de dossier entièrement déhoussables, il faut d'abord enlever le panneau de support puis séparer la fermeture à glissière qui unit les coussins du dossier et de l'accoudoir à l'assise.

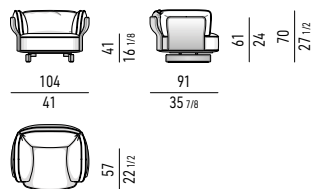

Pieds : en fonte d'aluminium peint couleur Étain finition brillante anti-trace de doigt. Patins glisseurs en PE couleur Étain. Les îlots pivotants sont dotés d'une base périmétrique, constitué d'une tôle en acier inoxydable verni couleur Étain finition brillante anti-trace. Repose sur des roues fixes en polyamide avec bandage en polyuréthane thermoplastique et monture en acier inoxydable. Les roulettes permettent à l'élément de tourner à 360°.
